

# Is your next home already in our database?

Brent King **Care Home Finder** is still assisting both experienced owners and new buyers to locate quality homes and raise the purchase funding.

We look for a high quality conversion with modern extensions located in affluent areas. This is certainly the future for the smaller managed homes.

- **Independent Advice** ●
- **Accompanied Visits** ●
- **Financial Assessment** ●

**Brent King** has an existing client base that ranges from the small owner up to emerging groups that have varied requirements. Therefore whether you are extending and upgrading your existing business or on the acquisition trail and looking for a commercial loan, I invite you to discuss with us, what we can achieve on your behalf now or in the future.

**David King** has over 30 years experience in the Finance and banking sector as a lender and broker/consultant. He has specialised in the Residential Care/Nursing Home sector and offers clients confidential and Independent assistance in arranging commercial finance and property mortgages. Whether you are an experienced operator or new buyer, an initial discussion will confirm the benefits of employing our professional assistance.
